

# **EXHIBIT 10**

**UNITED STATES DISTRICT COURT  
FOR THE SOUTHERN DISTRICT OF NEW YORK**

RICHARD ROSARIO,

Plaintiff,

-against-

THE CITY OF NEW YORK, *et al.*,

Defendants.

18-cv-4023 (LGS)

**DECLARATION OF CHRISTINA MATTHIAS**

I, CHRISTINA MATTHIAS, an attorney admitted to practice in the State of New York, submit this declaration under penalty of perjury:

1. I am a senior associate at the firm Neufeld Scheck & Brustin, LLP, ("NSB") with offices at 99 Hudson Street, 8th Floor, New York, New York 10013.
2. I make this declaration in support of an application for attorneys' fees pursuant to 42 U.S.C. § 1988, covering the hours I expended on this matter. I am fully familiar with the facts discussed herein.

**EDUCATION AND EXPERIENCE**

3. I graduated from the University of Chicago Law School in 2015. After graduating, I worked as a fellow and staff attorney at the Neighborhood Defender Service of Harlem from 2015-2017. I then served as a law clerk to the Honorable Michael M. Baylson, United States District Judge for the Eastern District of Pennsylvania, from 2017-2018. After my clerkship, I worked as an associate at Hangley Aronchick Segal Pudlin & Schiller from 2018-2021. My resume is attached as Exhibit A.
4. At NSB, I work almost exclusively on 42 U.S.C. § 1983 civil rights litigation in federal courts around the country. My practice focuses on wrongful conviction cases such as Richard Rosario's, involving lawsuits against police, prosecutors and/or state and

municipal crime lab employees for unconstitutional misconduct. This body of law, arising at the intersection of criminal procedure and civil rights, is relatively new and constantly evolving. To my knowledge, NSB is the only firm in the nation litigating these issues full time.

5. Generally, all these cases involve procedural defenses such as absolute and qualified immunity and require a nuanced understanding of the differences between what it takes to vacate a criminal conviction and the elements of civil liability. In addition, the cases typically involve the same sets of claims, including for fabrication of evidence, *Brady*, and malicious prosecution, and involve similarly flawed inculpatory evidence, including misidentifications caused by suggestive identification procedures. My focus on these issues at NSB, as well as access to NSB's collective knowledge derived from litigating these cases for over twenty years, made my work on this case much more efficient than it otherwise would have been.
6. On behalf of Plaintiff, I am seeking compensation for my work at a rate of \$425 an hour. In my opinion, this requested rate is reasonable in light of the relevant market and my experience and skill.

#### **WORK IN THIS CASE**

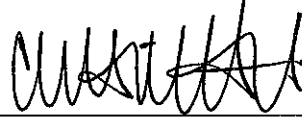

7. I am seeking compensation, on behalf of Plaintiff, for the time I spent on this matter from June 2021 to July 2021.
8. Over the years of this litigation, my main responsibility in this case was drafting, revising, reviewing, finalizing and supervising the filing of motions in limine.
9. As set forth in the billing records attached as Exhibit B, which come from contemporaneously kept timekeeping logs, I am seeking compensation for a total of 39.2 attorney hours in this matter.
10. I have reviewed the attached billing record in its entirety, and made an effort to take a conservative and reasonable approach to the total hours for which I seek compensation. In my judgment, each hour set forth in Exhibit B was necessitated by the circumstances and

reasonably expended in pursuit of the ultimate favorable outcome in this complicated and important civil rights case.

11. I hereby declare under penalty of perjury that the foregoing is true.
